Schöne Zeit

Create your very own personal holiday programme with our numerous excursions! Each excursion is a highlight itself: from tours through metropolises, trips through impressive landscape to action and fun-filled excursions.

In order to provide you with a better overview of the various offers, we have divided our excursions into four categories: bike tours, discovery tours, adventure tours and gourmet tours. Each tour is assigned the corresponding symbol. Please note that most excursions can only take place if the minimum number of participants of 20 is reached (except bike tours).

We have compiled the excursion programme together with well-known, local agencies especially for your cruise. We arrange the excursion and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners.

You can book the excursion directly on board. Your international host will happily provide you with more information and assist you with booking the excursions.

We wish you an unforgettable holiday on board! Your A-ROSA Team.

MOHÁCS

PÉCS - THE MEDITERRANEAN CITY OF HUNGARY

Thanks to the mild climate and the southern slope of the Mecsek mountain range, almonds, figs and sweet grapes grow perfectly in the region around Pécs. Therefore the Hungarian call it the Mediterranean city. The city is also known for its fine porcelain, which is produced in the traditional Zsolnay factory. In 2010, Pécs was one of the European Capitals of Culture and awaits you with interesting sights and an elegant city centre. With this many assets, it is not surprising that even the great religions settled here and made their mark on the city's architecture: the former Turkish mosque is the largest in Central Europe, the magnificent cathedral is home to a stunning panelled ceiling and the synagogue is one of the most beautiful in Hungary.

Price: € 47 | Duration: approx. 4 h

The beautiful Kalemegdan Park around the fortress is one of Belgrade's popular boulevards. And the city offers so much more: the Serbian-Orthodox cathedral with its wide, green domes, the Patriarchal Palace and the Square of the Republic with its National Theatre and National Museum.
