Create your very own personal holiday programme with our numerous excursions! Each excursion is a highlight itself: from tours through metropolises, trips through impressive landscape to action and fun-filled excursions.

In order to provide you with a better overview of the various offers, we have divided our excursions into four categories: bike tours, discovery tours, adventure tours and gourmet tours. Each tour is assigned the corresponding symbol. Please note that most excursions can only take place if the minimum number of participants of 20 is reached.

We have compiled the excursion programme together with well-known, local agencies especially for your cruise. We arrange the excursion and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners.

You can book the excursion directly on board. Your international host will happily provide you with more information and assist you with booking the excursions.

We wish you an unforgettable holiday on board! Your A-ROSA Team.

Directly to the most beautiful view: The "Bratislava City Express" takes you to the Bratislavský Hrad (Bratislava Castle). From the 85-metre-high plateau, you can see far over the Danube. The city owes its name to Duke Wratislaw, who built the complex in the middle of the 17th century. Maria Theresa decided to reconstruct the castle a century later for representational purposes. After the visit, you will explore the historical centre with its Renaissance houses and baroque palaces by foot.

VIENNA

SISI'S SCHÖNBRUNN PALACE

Off to Schönbrunn Palace! The palace, in which - among others - the famous Empress Sisi resided, is one of Vienna's highlights. At the end of the 17th century, Emperor Leopold I commissioned a hunting lodge. About half a century later, Maria Theresa had it reconstructed into a true imperial residence. Particularly impressive are the still completely preserved state rooms and private apartments of the imperial couple Sisi and Emperor Franz Josef I.

We will then continue to travel along the Prater with its famous Ferris Wheel to the Hundertwasser house, to St. Charles's Church and the Viennese Music Association. BOOKING DEADLINES AND CANCELLATIONS

There are booking deadlines for every port. These deadlines are announced in the daily programme on board. Cancellations or rebookings after the deadline are not possible. In case of illness, the excursion for the affected person will be cancelled free of charge.

CLIMATE AND CLOTHING

For shore excursions, we recommend stable and comfortable footwear with nonslip grip soles. In the summer months, you should be prepared for a very hot and humid climate. We recommend to bring insect repellent, sunscreen and headwear. Please also dress appropriately when visiting churches and monasteries.

GUESTS WITH LIMITED MOBILITY

We kindly ask you to get in touch with your Cruise Manager or International Host as soon as possible. This allows us to advise you individually or to make the appropriate preparations on location if required.

GOLF

It is possible to play golf in many destinations. The golf courses are very different in terms of quality and condition. Information about the location and costs can be obtained from your Cruise Manager or International Host on board.

INCLUDED SERVICES

Included in the excursion price: Guided excursions, transport and admission charges. Drinks and meals are only included if mentioned in the excursion description. We always give preference to typical local specialities where meals are included, giving you the opportunity to get to know and enjoy something new. Please be aware that the meals and drinks on the excursions will not always be up to the standard of the varied range of meals you are used to aboard A-ROSA.

LEGAL MATTERS

The excursions generally take place as described. As your contractual partner, the agencies, however, reserve the right, even without prior notice, to adapt the order or times of the excursions depending on current conditions in order to guarantee your safety. The organiser also reserves the right to exclude a participant from the trip without reimbursement of costs if her/his behaviour is not conducive to the safety, well-being or harmony of the group. The insurance policies taken out by the agencies conform to local legislation and vary widely. We therefore recommend that you take out our comprehensive river cruise insurance (please contact us for further information) before the beginning of your cruise.

MINIMUM AND MAXIMUM NUMBER OF PARTICIPANTS

Most excursions can only take place if the minimum number of participants of 20 is reached. We will inform you as soon as possible if a trip cannot take place. In this case, your booking will be cancelled and the excursion price will of course be credited to your onboard cabin account. We will also suggest an alternative excursion. For some excursions, the number of participants is limited. Registrations are always considered in the order they were made. We kindly ask for your understanding that we might not be able to accept your registration any longer if the maximum number has already been reached. Of course, we also offer alternatives in this case.

TOUR GUIDE AND LOCAL CUSTOMS

The excursion programme gives you the opportunity to get to know interesting towns, historic places, impressive scenery, as well as different cultures, nations, customs and traditions. Tourism is still at an early stage in some of the excursion ports. The level of the local tour guides, which accompany the excursions, corresponds to the top standard of the respective country. This also applies to all coaches.

PRICES AND DISCOUNTS FOR CHILDREN

Prices are indicated - equivalent to the onboard currency - in Euro. For many of the excursions there are discounts for children up to the age of 11. Children under the age of four can take part for free, but are not entitled a seat. More precise information can be obtained from your Cruise Manager or International Host.

TICKETS

After booking, you will receive your shore excursion ticket. Please do not forget to bring it with you for the shore excursion. The excursion ticket entitles you to participate and is collected by the agency at the start of the excursion.

TIPPING

It is a common practice to reward good service with a tip. The local tour guides will be pleased if you show your acknowledgement.
