Create your very own personal holiday programme with our numerous excursions! Each excursion is a highlight itself: from tours through metropolises, trips through impressive landscape to action and fun-filled excursions.

In order to provide you with a better overview of the various offers, we have divided our excursions into four categories: bike tours, discovery tours, adventure tours and gourmet tours. Each tour is assigned the corresponding symbol. Please note that most excursions can only take place if the minimum number of participants of 20 is reached.

We have compiled the excursion programme together with well-known, local agencies especially for your cruise. We arrange the excursion and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners.

You can book the excursion directly on board. Your international host will happily provide you with more information and assist you with booking the excursions.

We wish you an unforgettable holiday on board! Your A-ROSA Team.

ROUEN

CITY WALK OF ROUEN

Although Rouen was heavily damaged in the Second World War, most of its old half-timbered buildings, paved streets and churches could be rebuilt. Today, Rouen reminds one of an openair museum rather than a city. The city of the 100 church spires - as it was called by Victor Hugo - sadly gained notoriety in 1431 when Joan of Arc was burned at the stake in the middle of the market square. Experience the entire history of the harbour city during this guided walking tour. Price: € 19 | Duration: approx. 2 h

CÔTE D'ALBÂTRE, ÉTRETAT & LE HAVRE

One of the most beautiful coasts in France - the Alabaster Coast - is located west of Rouen and can be reached by bus in an hour. This excursion will first take us to Le Havre, famous for its architectural city centre, the only one from the 20th century that has been awarded the UNESCO World Heritage status. We will continue along the coast to one of the most beautiful seaside resorts on this most beautiful coast is the small village of Etretat, which is surrounded by high chalk cliffs on both sides. These also provide natural protection for the city from the dominant winds. Small castles, manor houses - and of course the outstanding chalk cliffs, which have been captured in countless paintings by well-known painters, determine the cityscape. On the way back, we will drive through Normandy to Caudebec-en-Caux, where the A-ROSA VIVA awaits us. Price: € 59 | Duration: approx. 5 h

CAUDEBEC-EN-CAUX

ALONG THE CÔTE FLEURIE TO HONFLEUR, DEUTVILLE AND A CALVADOS DISTILLERY

Situated directly on the mouth of the Seine in the English Channel, Honfleur has become one of the most charming towns in Normandy. After a stroll through the cosy alleyways and along the harbour, you will visit a Calvados distillery and of course enjoy a little tasting. Afterwards you will continue on the "Flowery Coast" to Deauville. This prestigious seaside resort dates back to Charles de Morny - a half-brother of Napoleon III, who in just four years in the mid-19th century created a seaside resort with neoRoman villas, a race course and railway connections to Paris. In the beginning of the 20th century, luxury hotels and casinos were added and the international reputation grew. During a little bus tour along the Atlantic you can marvel at these stately buildings.

Price: € 79 | Duration: approx. 6 h

VERNON

CITY WALK VERNON

The medieval town of Vernon is often outshone by Giverny, but this is completely unjustified. During a stroll through the historic centre you will see many historic buildings and pay a visit to the well-fortified Notre-Dame church. Almost all windows of the church were destroyed in the Second World War, but one from the end of the 15th century escaped destruction and can still be admired.

Price: € 19 | Duration: approx. 1.5 h

LE PECQ (PARIS)

CITY TOUR OF PARIS

Paris has far too many sights and highlights to see all in just one day. Nevertheless, we want to show you all of the mustsees during this fantastic city tour. You will see the Eiffel Tower, the Arc de Triomphe, the Champs-Élysées, the Tuileries Garden, the Louvre, the Palais de Justice, Les Invalides, the Notre Dame Cathedral, the Sacré-Cœur and many more. Sit back and enjoy Paris! Price: € 45 | Duration: approx. 4 h | Note: Due to traffic situations we may not reach every highlight.

DISCOVER PARIS INDIVIDUALLY

Paris offers so much to discover that you don't even know where to start. You have the choice! Choose your favourite sights or museums and your driver will take you there. If you wish, your personal guide will accompany you and give you all the necessary and worth knowing information during your private city tour.

Price: Minivan (5 seats) 4 h with driver for € 399. Guide 4 h for € 399 | Duration: approx. 4 h
Available on request only.

KIDS-SPECIAL: DISNEYLAND PARIS

Even for kids, Paris has a lot to offer. One day is hardly enough to explore the whole of Disneyland in Paris. But Mickey Mouse, Goofy and Donald Duck wait at every corner and enchant not only the young visitors, but the whole family.

Price: € 139 | Duration: approx. 10 h | Only bus transfer and ticket. Available on request only.

PARISIAN CABARET

A typical Parisian cabaret evening is the end of your journey. Enjoy a generous, cheerful and musical evening in Paradis Latin. The unique theatre was built by Gustave Eiffel, the builder of the Eiffel Tower. On stage, swinging petticoats, dance and circus performances create a colourful spectacle. Love and the art of seduction are celebrated in the stage play "Paradis à la folie".
Price: € 75 | Duration: approx. 2.5 h | Note: Only ticket. Your cruise manager will gladly provide you with additional information. Available on request only.

THE PALACE OF VERSAILLES

After a 45-minute drive, you will reach the magnificent residence of Louis XIV - the Palace of Versailles. As the most significant building of its type, it was a model for many palaces in the 17th and 18th century. Originally built as a small hunting lodge, Louis XIV proclaimed Versailles the seat of the government of France and enlarged and remodelled it magnificently. During a tour with audio guides, you will see the King's and Queen's grand apartments, some representative rooms and the reception halls. Finally, you will visit the garden and the Orangerie, before returning to your A-ROSA cruise ship.

Price: € 75 | Duration: approx. 5.5 h

DISCOVER PARIS ON YOUR OWN

Would you like to explore the city centre of Paris on your own? Then let's go! By bus we will take you comfortably to the centre near the Champs Élysées and will pick you up again in the afternoon.
Price: € 19 | Duration: approx. 5.5 h

CLIMATE AND CLOTHING

For shore excursions, we recommend stable and comfortable footwear with nonslip grip soles. In the summer months, you should be prepared for a very hot and humid climate. We recommend to bring insect repellent, sunscreen and headwear. Please also dress appropriately when visiting churches and monasteries.

GUESTS WITH LIMITED MOBILITY

We kindly ask you to get in touch with your Cruise Manager or International Host as soon as possible. This allows us to advise you individually or to make the appropriate preparations on location if required.

It is possible to play golf in many destinations. The golf courses are very different in terms of quality and condition. Information about the location and costs can be obtained from your Cruise Manager or International Host on board.

INCLUDED SERVICES

Included in the excursion price: Guided excursions, transport and admission charges. Drinks and meals are only included if mentioned in the excursion description. We always give preference to typical local specialities where meals are included, giving you the opportunity to get to know and enjoy something new. Please be aware that the meals and drinks on the excursions will not always be up to the standard of the varied range of meals you are used to aboard A-ROSA.

LEGAL MATTERS

The excursions generally take place as described. As your contractual partner, the agencies, however, reserve the right, even without prior notice, to adapt the order or times of the excursions depending on current conditions in order to guarantee your safety. The organiser also reserves the right to exclude a participant from the trip without reimbursement of costs if her/his behaviour is not conducive to the safety, well-being or harmony of the group. The insurance policies taken out by the agencies conform to local legislation and vary widely. We therefore recommend that you take out our comprehensive river cruise insurance (please contact us for further information) before the beginning of your cruise.

MINIMUM AND MAXIMUM NUMBER OF PARTICIPANTS

Most excursions can only take place if the minimum number of participants of 20 is reached. We will inform you as soon as possible if a trip cannot take place. In this case, your booking will be cancelled and the excursion price will of course be credited to your onboard cabin account. We will also suggest an alternative excursion. For some excursions, the number of participants is limited. Registrations are always considered in the order they were made. Of course, we also offer alternatives in this case.

TOUR GUIDE AND LOCAL CUSTOMS

The excursion programme gives you the opportunity to get to know interesting towns, historic places, impressive scenery, as well as different cultures, nations, customs and traditions. This also applies to all coaches.
