Create your very own personal holiday programme with our numerous excursions! Each excursion is a highlight itself: from tours through metropolises, trips through impressive landscape to action and fun-filled excursions.

In order to provide you with a better overview of the various offers, we have divided our excursions into four categories: bike tours, discovery tours, adventure tours and gourmet tours. Each tour is assigned the corresponding symbol. Please note that most excursions can only take place if the minimum number of participants of 20 is reached (except bike tours).

We have compiled the excursion programme together with well-known, local agencies especially for your cruise. We arrange the excursion and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners.

You can book the excursion directly on board. Your international host will happily provide you with more information and assist you with booking the excursions.

We wish you an unforgettable holiday on board! Your A-ROSA Team.

VERNON

MONET'S GARDEN AT GIVERNY

The village Giverny has gained worldwide fame thanks to a man who lived here for over 40 years of his life - Claude Monet. The paintings of the famous water lilies in his own pond, as well as the flower meadow behind his house, have become impressionistic masterpieces. Today, his former residential building is home to a museum. Giverny is still the Mecca of the Impressionists, many of whom at least partly lived here at the end of the 19th century and the museum displays many Impressionist masterpieces from all parts of the world. You will visit Monet's garden and residential house and have plenty of time to let the spirit of the little town sink in.

Price: € 36 | Duration: approx. 3.5 h

BIKE TOUR TO GIVERNY AND CLAUDE MONET'S GARDEN

LE HAVRE

HONFLEUR AND DEAUVILLE

Two cities, many differences: the historic fishing village Honfleur catches your eyes with its narrow alleys and a small marina surrounded by historic houses. Deauville, on the other hand, was already a sophisticated city in the 19th century, where many horse races took place. In both cities you can take a leisurely walking tour and then enjoy your free time for a stroll or in a café.

Price: € 47 | Duration: approx. 6 h

DELICACIES OF NORMANDY

Normandy is not only known for its famous coasts, but also by its green nature and large grazing area. We will go by bus passing vast landscape to the historic Château de Breuil, which is known for its Calvados. After a tasting, the bus will take you to the picturesque town of Lisieux for lunch and a short walk through the old town. In the afternoon you can visit the small town Livarot, where the typical cheese "camembert" is produced. The Fromagerie Graindorge opens its doors for you and gives you a look behind the scenes. Afterwards the bus will take you back to your A-ROSA VIVA.

FÉCAMP AND PALAIS BÉNÉDICTINE

The picturesque Norman town of Fécamp is characterised by small castles and manor houses - and of course the impressive chalk cliffs, captured in many paintings by famous artists. But one building stands clearly: the Palais Bénédicte. This is still the production centre of the famous herbal liqueur Bénédicte, which has over 500 years of tradition. During a walking tour through the palace you will not only learn something about the origins of the liqueur, you can also taste it.

ROUEN

CITY WALK OF ROUEN

Although Rouen was heavily damaged in the Second World War, most of its old half-timbered buildings, paved streets and churches could be rebuilt. Today, Rouen reminds one of an open-air museum rather than a city. The city of the 100 church spires - as it was called by Victor Hugo - sadly gained notoriety in 1431 when Jeanne d'Arc was burned at the stake in the middle of the market square. Experience the entire history of the harbour city during this guided walking tour.

Price: € 19 | Duration: approx. 2 h

IN THE FOOTSTEPS OF JEANNE D'ARC

An exciting cycling tour through the historic city of Rouen. Impressive cathedrals, medieval half-timbered houses and a picturesque old town await you. This truly is a very special city tour.

CHÂTEAU VASCŒUIL

This excursion takes us through the typical landscape of Normandy with apple orchards and small castles along many avenues to the famous Château de Vascoeuil, which is about 20 km east of Rouen. In the large palace garden you can find more than 50 sculptures of famous artists and every year there is a special exhibition of a great artist like Dali and Buffet. During a walk through the garden you will discover art in every corner.

Look forward to an interesting tour!

Price: € 47 | Duration: approx. 4 h

MANTES-LA-JOLIE

THE PALACE OF VERSAILLES

After a 45-minute drive, you will reach the magnificent residence of Louis XIV - the Palace of Versailles. As the most significant building of its type, it was a model for many palaces in the 17th and 18th century. Originally built as a small hunting lodge, Louis XIV proclaimed Versailles the seat of the government of France and enlarged and remodelled it magnificently. During a tour with audio guides, you will see the King's and Queen's grand apartments, some representative rooms and the reception halls. Finally, you will visit the garden and the Orangerie, before returning to your A-ROSA cruise ship.
