Schöne Zeit

**C**reate your very own personal holiday programme with our numerous excursions! Each excursion is a highlight itself: from tours through metropolises, trips through impressive landscape to action and fun-filled excursions.

In order to provide you with a better overview of the various offers, we have divided our excursions into four categories: bike tours, discovery tours, adventure tours and gourmet tours. Each tour is assigned the corresponding symbol. Please note that most excursions can only take place if the minimum number of participants of 20 is reached.

We have compiled the excursion programme together with well-known, local agencies especially for your cruise. We arrange the excursion and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners.

You can book the excursion directly on board. Your international host will happily provide you with more information and assist you with booking the excursions.

**We wish you an unforgettable holiday on board! Your A-ROSA Team.**

## MANNHEIM

### CHRISTMAS MARKET HEIDELBERG

Heidelberg shows off its historic city centre in Christmas splendour during the Christmas market season. The atmosphere is unique – the stalls nestle idyllically amongst the historic squares of the Old Town, offering a warming glow of light along one of the longest pedestrian zones in Europe. In the fairy-tale winter woods at the "Kornmarkt", over 100 pines and elegantly decorate the market. After about two hours of free time, you will be taken back to your A-ROSA cruise ship.

## KEHL (STRASBOURG)

### CHRISTMAS TIME IN STRASBOURG

Strasbourg should not be missed during the pre-Christmas season, not only because it has France's oldest Christmas Market. Beginning with a short stroll through the old town, the excursion will take you to the world-famous Strasbourg Minster and past numerous old timber-framed houses. Afterwards you will have enough time to explore the delightful Christmas market on your own.

## MAINZ

### CITY WALK OF HISTORIC MAINZ

The cheerful Carnival City of Mainz has a long history. Our excursion takes you to the historic treasures, such as St. Martin's Cathedral. Built in the 10th century, it is Mainz's landmark and impresses visitors with its opulent interior. The tour then takes you to the former Holy Spirit Hospital from the 13th century and to the Old University. It was built as a Jesuit College between 1615 and 1618 and still houses various institutes today. Johannes Gutenberg, one of Mainz's most famous sons, invented the printing press in the 15th century. Experience the history of printing, books and writing up-close in the Gutenberg-Museum, where you can also see two original Gutenberg Bibles.

Price: € 27 | Duration: approx. 2.5 h | Note: The Gutenberg Museum is closed on Mondays and on holidays.

## EVERYTHING YOU SHOULD KNOW BEFORE YOU GO

### EXCURSION AGENCY

GLOBUS Tours GmbH, Untere Paulistrasse 16, CH-8834 Schindellegi, Switzerland

### PAYMENT

The excursions will be charged directly to your onboard account.

### BOOKING DEADLINES AND CANCELLATIONS

There are booking deadlines for every port. These deadlines are announced in the daily programme on board. Cancellations or rebookings after the deadline are not possible. In case of illness, the excursion for the affected person will be cancelled free of charge.

### CLIMATE AND CLOTHING

For shore excursions, we recommend stable and comfortable footwear with nonslip grip soles. In the summer months, you should be prepared for a very hot and humid climate. We recommend to bring insect repellent, sunscreen and headwear. Please also dress appropriately when visiting churches and monasteries.

### GUESTS WITH LIMITED MOBILITY

We kindly ask you to get in touch with your Cruise Manager or International Host as soon as possible. This allows us to advise you individually or to make the appropriate preparations on location if required.

### GOLF

It is possible to play golf in many destinations. The golf courses are very different in terms of quality and condition. Information about the location and costs can be obtained from your Cruise Manager or International Host on board.

### INCLUDED SERVICES

Included in the excursion price: Guided excursions, transport and admission charges. Drinks and meals are only included if mentioned in the excursion description. We always give preference to typical local specialities where meals are included, giving you the opportunity to get to know and enjoy something new. Please be aware that the meals and drinks on the excursions will not always be up to the standard of the varied range of meals you are used to aboard A-ROSA.

### LEGAL MATTERS

The excursions generally take place as described. As your contractual partner, the agencies, however, reserve the right, even without prior notice, to adapt the order or times of the excursions depending on current conditions in order to guarantee your safety. The organiser also reserves the right to exclude a participant from the trip without reimbursement of costs if her/his behaviour is not conducive to the safety, well-being or harmony of the group. The insurance policies taken out by the agencies conform to local legislation and vary widely. We therefore recommend that you take out our comprehensive river cruise insurance (please contact us for further information) before the beginning of your cruise.

### MINIMUM AND MAXIMUM NUMBER OF PARTICIPANTS

Most excursions can only take place if the minimum number of participants of 20 is reached. We will inform you as soon as possible if a trip cannot take place. In this case, your booking will be cancelled and the excursion price will of course be credited to your onboard cabin account. We will also suggest an alternative excursion. For some excursions, the number of participants is limited. Registrations are always considered in the order they were made. We kindly ask for your understanding that we might not be able to accept your registration any longer if the maximum number has already been reached. Of course, we also offer alternatives in this case.

### TOUR GUIDE AND LOCAL CUSTOMS

The excursion programme gives you the opportunity to get to know interesting towns, historic places, impressive scenery, as well as different cultures, nations, customs and traditions. Tourism is still at an early stage in some of the excursion ports. The level of the local tour guides, which accompany the excursions, corresponds to the top standard of the respective country. This also applies to all coaches.

### PRICES AND DISCOUNTS FOR CHILDREN

Prices are indicated - equivalent to the onboard currency - in Euro. For many of the excursions there are discounts for children up to the age of 11. Children under the age of four can take part for free, but are not entitled a seat. More precise information can be obtained from your Cruise Manager or International Host.

### TICKETS

After booking, you will receive your shore excursion ticket. Please do not forget to bring it with you for the shore excursion. The excursion ticket entitles you to participate and is collected by the agency at the start of the excursion.

### TIPPING

It is a common practice to reward good service with a tip. The local tour guides will be pleased if you show your acknowledgement.

### AND FINALLY ...

Objects of value, jewellery, large sums of cash and credit cards should be left in your cabin safe, so that you can enjoy the excursions in a relaxed and carefree frame of mind. Enjoy your excursion on shore!
