Schöne Zeit

Create your very own personal holiday programme with our numerous excursions! Each excursion is a highlight itself: from tours through metropolises, trips through impressive landscape to action and fun-filled excursions.

In order to provide you with a better overview of the various offers, we have divided our excursions into four categories: bike tours, discovery tours, adventure tours and gourmet tours. Each tour is assigned the corresponding symbol. Please note that most excursions can only take place if the minimum number of participants of 20 is reached (except bike tours).

We have compiled the excursion programme together with well-known, local agencies especially for your cruise. We arrange the excursion and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners.

You can book the excursion directly on board. Your international host will happily provide you with more information and assist you with booking the excursions.

We wish you an unforgettable holiday on board! Your A-ROSA Team.

KOBLENZ

BY CABLE CAR TO THE FORTRESS EHRENBREITSTEIN

The breath-taking cable car ride across the Rhine and up to the Ehrenbreitstein Fortress should not be missed: Behind you the roofs of Koblenz, below you the broad river and in front of you the gigantic fortress Ehrenbreitstein. This adjective is by no means an exaggeration, as you will be entering the second largest preserved fortress in Europe. Prussian King Friedrich Wilhelm III ordered the construction as part of an anti-French military line. Up to 6,500 craftsmen and day labourers were employed. The mighty fortress rises 118 metres above the Rhine and was once the core of the fortification around Koblenz. Together with the "Deutsches Eck", it forms the northern gateway to the UNESCO World Heritage Upper Middle Rhine Valley. Afterwards we will walk through the old town back to the ship

Price: € 32 | Duration: approx. 2.5 h

MAINZ

CITY WALK OF HISTORIC MAINZ

The cheerful Carnival City of Mainz has a long history. Our excursion takes you to the historic treasures, such as St. Martin's Cathedral. Built in the 10th century, it is Mainz's landmark and impresses visitors with its opulent interior. The tour then takes you to the former Holy Spirit Hospital from the 13th century and to the Old University. It was built as a Jesuit College between 1615 and 1618 and still houses various institutes today. Johannes Gutenberg, one of Mainz's most famous sons, invented the printing press in the 15th century. Experience the history of printing, books and writing up-close in the Gutenberg-Museum, where you can also see two original Gutenberg Bibles.

Price: € 27 | Duration: approx. 2.5 h | Note: The Gutenberg Museum is closed on Mondays and on holidays.

RÜDESHEIM

"WINZEREXPRESS" AND CABLE CAR: NIEDERWALD MONUMENT AND THE HISTORIC CENTRE

The "Winzerexpress" (small tourist train) takes you directly from the berth to the cable car. The panoramic views over Rüdesheim's historic centre and the Rhine make the smooth glide over the vineyards a very special experience. Upon arrival, you will see the 38-metre-tall Niederwald monument, which recalls the unification of Germany in 1871. The central figure is the 10.5 metre tall Germania figure, which holds the recovered crown of the emperor in its right hand and the Imperial Sword in the left. Afterwards, take a stroll through the historic centre of Rüdesheim, including the famous Drosselgasse. You will find many wine bars and garden taverns in this 144 metre long alley.

Price: € 32 | Duration: approx. 2.5 h

VINEYARD TOUR

The Rüdesheimer Berg is home to several of Germany's best vineyards. Between Riesling and Burgundy, you will walk through the idyllic mountains with a wonderful view over the Rhine Valley and the gateway to the UNESCO World Heritage Site Upper Middle Rhine Valley. During the guided tour you will be able to update your knowledge of winemaking. We will end the tour with a wine tasting of five different wines from the barrels of a local winegrower.

Price: € 35 | Duration: approx. 3 h | Excursion includes a wine tasting | Available on request only.

BERNKASTEL-KUES

BIKE TOUR ALONG THE WONDERFUL MOSELLE

This tour will take you past the region's characteristic steep vineyards, along the picturesque banks of the River Moselle and through some of the area's most famous wine-producing towns and villages, such as Tarben-Trarbach, Kröv and Bernkastel-Kues. The hanging bridge in Wehlen (district of Bernkastel) is particularly impressive.

Price: € 39 | Duration: approx. 4 h | Distance: 44 km

MEDIEVAL BERNKASTEL-KUES

Bernkastel-Kues has been blessed twice: once with fertile vineyards and once by the perhaps most unique ensemble of medieval half-timbered buildings. Especially famous for the "Spitzhäuschen", which has been balancing on a foundation that appears to be much too narrow since the beginning of the 15th century. It is a true wonder that it has not fallen over yet! The Renaissance city hall, built in 1608, and the Michaela fountain in the market square are just as remarkable as the parish church of St. Michael with its more than 600-year-old tower down by the river bank.

Price: € 19 | Duration: approx. 2 h

TRIER/MEHRING

THE ROMAN CITY TRIER

Trier - Germany's oldest city - is a UNESCO World Heritage site. The city was founded around 16 BC by Emperor Augustus and you will find numerous architectural monuments from this period. From the ship, you will drive along the Moselle, past old Moselle cranes and monastery complexes, to the oldest bridge in Germany, the Roman Bridge. In the footsteps of the Romans, you will then explore the amphitheatre, the ruins of Barbara thermal baths, as well as the throne room of Emperor Constantine the Great. We will then pass the Palace of the Electorate from the 18th century before reaching the city's main landmark and UNESCO World Heritage Site, the Porta Nigra.

Price: € 45 | Duration: approx. 3.5 h

TRIER ON YOUR OWN

In Trier you can find 8 of the 39 German UNESCO World Heritage Sites. Such a concentration is unique and there is a lot to explore in the old Roman city. If you prefer to stroll around individually, you may take the transfer bus from the berth directly to the city centre, where you will have ample time to discover the beauty of the old Roman city. After a three hour stay we will take you back to the A-ROSA cruise ship in Mehring.

Price: € 19 | Duration: approx. 4 h

COCHEM

CITY WALK AROUND COCHEM AND VISIT TO THE REICHSBURG

The second smallest county seat in Germany is one of the most beautiful cities in the Moselle Valley. Cochem's long history is revealed during a tour of the old town. You walk past the Capuchin monastery, the parish church of St. Martin and the town hall from the 17th century. Mini busses will take you up 100 meters to the imperial castle, which is one of the most beautiful castles in the region. The tour takes you through the neo-Renaissance and neo-Baroque designed rooms with valuable furnishings.

Price: € 39 | Duration: approx. 3 h | Note: Excursion might be conducted in reverse order. There may be some waiting time before boarding the mini buses.

BIKE TOUR THROUGH THE MOSELLE VALLEY AND TO COCHEM

On your bike, you can explore one of the most beautiful stretches along the Moselle, where the Moselle flows into the Rhine in a sweeping bend. It is flanked by steep slopes, where the grapes mature for great wines. From the ship, you will cycle to BruttigFankel and onwards across the river directly into the picturesque streets of Cochem. During a stop at the historic mustard mill, you will have the chance to taste some of the "spicy gold". Then you will continue to the late-Gothic Cochem Castle, situated on the largest castle hill, from where you can enjoy a spectacular view over the river.

Price: € 29 | Duration: approx. 2.5 h | Distance: 20 km

LEGAL MATTERS

The excursions generally take place as described. The organiser also reserves the right to exclude a participant from the trip without reimbursement of costs if her/his behaviour is not conducive to the safety, well-being or harmony of the group. The insurance policies taken out by the agencies conform to local legislation and vary widely.
