**C**reate your very own personal holiday programme with our numerous excursions! Each excursion is a highlight itself: from tours through metropolises, trips through impressive landscape to action and fun-filled excursions.

In order to provide you with a better overview of the various offers, we have divided our excursions into four categories: bike tours, discovery tours, adventure tours and gourmet tours. Each tour is assigned the corresponding symbol. Please note that most excursions can only take place if the minimum number of participants of 20 is reached (except bike tours).

We have compiled the excursion programme together with well-known, local agencies especially for your cruise. We arrange the excursion and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners.

You can book the excursion directly on board. Your international host will happily provide you with more information and assist you with booking the excursions.

**We wish you an unforgettable holiday on board! Your A-ROSA Team.**

## VIVIERS

### ARDÈCHE GORGES AND LAVENDER SCENT

Over the course of millions of years, the typical limestone of the Ardèche formed one of the most beautiful landscapes in France. This includes the fairy-tale grottoes. Along the river you will drive to one of the numerous grottos of the area, such as the Grottes des Madeleines with its subterranean halls. Continuing your trip to one of the lavender producers in the Ardèche-area, you will be shown the different types and species of lavender, as well as their usage in medicine, decoration and perfume production.

Price: € 65 | Duration: approx. 5 h | Note: The temperature in the Grotto is only about 15° C, please take warm clothing with you.

### BIKE TOUR THROUGH PICTURESQUE ARDÈCHE

The Rhône crosses the landscape like a dark green ribbon. And you will cycle along the bank, beginning in Viviers. First you will pass by the foot of a local mountain and cycle through the pretty town of Donzère. Then it becomes a bit more demanding: you will cycle on a former route of the Tour de France with a longer climb. Your guide will adjust speed to ensure that everyone can keep up. And the effort is definitely worth it: the magnificent descent back to Viviers takes you past Châteauneuf-du-Rhône.
